

**Addendum #1**

**REQUEST FOR QUOTATIONS**

**RFQ 01-24**

**Issued February 16<sup>th</sup>, 2024**

The Strathcona Regional District (SRD) wishes to issue the following addendum to its “Request for Quotations – RFQ 01-24 “Emergency Services Fleet Vehicle” in response to proponent questions:

**Question:** It is asking me for a serial number for the vehicle, but in this case it would be a vehicle that we have to specifically order so currently does not have a serial number.

**Response:** In that case please make a note that the vehicle must be specially ordered and no serial number can be provided.

**Question:** Do the all weather tires that come with the vehicle qualify for the "winter tire" requested? Or should I include a quote on reasonably priced winter tires as a winter alternate? The tires that come on the vehicle are winter tires except for a few highways in BC which require a higher grade winter tire.

**Response:** Include a quote on a reasonably priced winter tire as a winter alternate and make note of that in the response.

**Question:** It also mentions a brochure to be included with the quotation but we have moved away from brochures and printed sales tools. I have printed out a specification sheet on the specific vehicle. Will that be enough?

**Response:** Yes.

**Question:** It is requested to come with roof rack and basket with net. Our basket does not come with a net, but we do have a fully enclosed option available. Not sure which to include with the quotation.

**Response:** Include a fully enclosed option with the quotation.

If you have any questions concerning this Addendum or RFQ, please email [procurement@srd.ca](mailto:procurement@srd.ca)  
Please sign below, acknowledging receipt of this Addendum and return this document with your submission to the RFP. If submitting multiple responses, please include a copy with each submission.
